Merry Christmas and a Happy New Year!

From

James Westphal

An Americas Region Agent For

Formfiber Denmark AirCarding Technology

Dear James,

I would like to take this opportunity to Wish You a Joyous Holiday Season!

600 mm wide Formfiber SPIKE AirCarding Test Plant

It has been a pleasure being of service to you during 2011. I look forward to a New Year of SPIKE AirCarding opportunities and continued service to Formfiber Denmark's worldwide Client base. SPIKE AirCarding Forming Technology continues to evolve, develop new market applications, and mature into the most productive, cost effective solution for manufacturing superior nonwoven mat products for market applications such as;

- Bedding
- Upholstery
- Acoustic Insulation
- Thermal Insulation
- Automotive
- Agricultural
- Garment Components
- Medical
- Wipes
- Absorbent Products
- Hygienic
- Molded Products
- Residential and Commercial Building Products
- Reclaimed Fiber Products

I look forward to assist you with the application of SPIKE AirCarding Forming Technology for the manufacture of highly productive, superior quality, and cost effective nonwoven products for the global markets your Company is in business to serve. I am looking forward to be of Continued Service during 2012.

Best Regards,

James Westphal
